### **Why choose Three?**

We want to be leaders and experts in new mobile, but we need to attract, retain and engage our workforce. Are you up for the challenge? Right now, we're looking for a cool, friendly, ambitious individual to join our award-winning Retail team.

### **We can offer you this...**

- £10.13 per hour
- A brand new smartphone on an Unlimited data plan
- On-target bonus of 25%, paid out monthly based on your store's performance
  - Individual bonus accelerators for high performers
  - Great discounts with our Perks at Work scheme
    - Flexible working hours/shifts
- Great training courses and career development opportunities

**At Three, our vision is better connectivity every day, for every customer.**

### **That means:**

- Understanding each customer and their needs
- Setting the bar on coverage, reliability and customer care
  - Solving queries for customer quickly
- Providing amazing experiences that make people feel good

To achieve this, we need people who are customer focused. People who go beyond the expected and work as one team. People who can wow our customers. Showing them how technology can elevate everyday moments into something truly special.
